

CHECK RECOVERY

FREE SERVICE

No more NSF headaches!

Your own hassle-free check recovery program enhances your cash flow, frees up the cost and challenges of your own staff recovery efforts, and helps preserve valuable relationships with your customers.

NO FEE

You incur no fees for our services - yet receive 100% of the full face amount of recovered checks.

SIMPLICITY

You incur no equipment or processing (transaction fees, report fees, tech support fees) with your program, and can put it into service with the completion of a simple Bank Authorizaition form.

BACKLOG OF BAD CHECKS?

We can also recover your current "bad" checks, of any AMOUNT, from any STATE, whether drawn on a PERSONAL or BUSINESS account. Dig out those old checks that you thought could never be recovered and we can turn them into CASH for you.

* First National Check offers this solution FREE to help businesses with their NSF problems.

You take checks as always.

* Bad checks however, are re-routed to First National Check.

* NSF checks are turned into ELECTRONIC CHECKS and are presented to the writer's bank on probable paydays!

* **ELECTRONIC CHECKS GET PAID BEFORE PAPER CHECKS.**

We help you break the cycle of paying too much for a guarantee, calling the check writer or waiting months to be paid a fraction of the face value of the checks using other services.

* With First National Check, recovered funds are paid, and a full report provided, monthly.
